KickStart Ghana testimonial

Name: Sandra Daroczi

Q. When did you volunteer with KickStart Ghana?

I was part of a group of students, from the University of Exeter, who volunteered during August and September 2011.

Q. How long did you volunteer for?

We volunteered for 3 amazing weeks!

Q. What did you enjoy about volunteering with KickStart Ghana?

For me, KickStart Ghana stands for friendship and support. Friendship and support towards the local community and the children from Mama Viak's, as well as friendship and support towards the volunteers. There was not one moment when I felt alone, or insecure. There was always someone to lend me a hand, which meant that my work as a volunteer was never affected. Through the help that I received from KickStart Ghana, I was able to do my best for the children.

Q. What was your favourite thing about Ghana?

Most definitely the joy of living!!! Ghanaian people have a great way of making you feel welcome, of making you forget that you are far away from home, and of making you realise the little you need to be happy.

Q. Any further comments?

Ghana has the most amazing green I have ever seen (I mean the vegetation), and the children have the most amazing feel for music (rhythm is definitely in their veins).

Q. Would you recommend volunteering with KickStart Ghana to others?

YES!!!
